

# Utilities

The City of West Point provides residents with electric, water and sewer services. Trash removal is provided by private contractors. Visit the business page for [trash haulers](#). Gas is provided by [Black Hills Energy](#). The utility office is located at 444 S. Main Street, West Point Nebraska. To locate an electrical, water, or sewer line you must call Diggers Hotline at 1-800-331-5666. Digger's Hotline is a free service and they will make the needed contacts for all utility lines.

## Late Fees

All utility bills are payable to West Point Light and Water by the 15th of the month. If paid after the 15th of the month, a 10% penalty is applied to the light, water, and sewer charges.

## Rates
